[COLLECTION ARTECO, ARTECO SHOWER](#)

PRODUCT CODE:

S601-116

Product description

ARTECO is a collection of profiled shower cabins made of 5 mm thick safety tempered glass. All of our cabins have been secured with a CleanPro protection coating, which prevents limescale and soil build-up. ARTECO shower enclosures have a height of 190 cm, and even tall persons will feel comfortable inside. Additional advantages of this product further include: chrome-plated double rollers, metal handle and magnetic seals on the door. The series of TAKO trays combines classic design and unique comfort. The TAKO series of shower tray is 4 cm and is made of the highest quality acrylic, with a double reinforcement of resin and fibreglass.
