[COLLECTION CITY, CITY SQUARE](#)

PRODUCT CODE:

S701-405

### Product description

The wall hung bowl CITY SQUARE has a hidden mounting system that enhances aesthetics and makes it easier to install. It is equipped with the innovative CleanOn technology, which ensures hygiene and safety of use. Thanks to it, when rinsing, the water thoroughly cleans the entire inner surface of the shell, leaving it clean and fresh. The absence of a collar also means no place to go bacteria and germs build up. The set includes the CITY SQUARE slim toilet seat, the simple structure of which ensures easy cleaning. The soft-close function will ensure that the board will lower gradually, preventing it from suddenly hitting the bowl.
