

AQUA FRAME FOR BIDET

COLLECTION AQUA

PRODUCT CODE:

K97-407

Product description

A durable flush-mounted frame made of a closed steel profile. The frame is equipped with an outflow elbow allowing for the vertical adjustment as well as brass connection sleeves for angular valves, also with vertical adjustment. Bidet mounting bolts fitted directly in a frame, spacing 180 mm (with 3-stage height adjustment) or 230 mm. The frame foot can be rotated within the range of 360° (inwards, backwards and to the sides), legs are equipped with a brake. The frame matches all Cersanit bidets. Wall fixing kit included.
