### Product description

The simple and clear lines of MILLE bidet faucets are the perfect finishing touch for modern-styled, minimalistic bathroom interiors. The model takes its impressive appearance from the black color combined with chrome elements. The bidet faucet from the MILLE collection has the Cersanit Water Save Aerator and a 35 mm ceramic cartridge which enables smooth control of the water stream. The ecological Cersanit Water Save Aerator aerates the water stream and limits the water flow to 6 l/min. The faucet is also equipped with 40 cm long flexible Eco EPDM connection hoses. The hoses are WRAS certified, which confirms their high quality. A special coating lines the inside of the hoses so the water does not change its taste or smell. The product comes with a 12-year warranty on the body and a 5-year warranty on the cartridge.
