

BRASCO DECK-MOUNTED BIDET FAUCET CHROME WITH PLASTIC CLICK-CLACK PLUG

[COLLECTION BRASCO](#)

PRODUCT CODE:

S951-228

Product description

The universal design of BRASCO collection will be a stylish and elegant element of any bathroom. BRASCO bidet faucet with fixed spout and a 35 mm ceramic cartridge guarantees precise water temperature adjustment. Thanks to the Cersanit Water Save Aerator, the water stream is always soft and aerated. It limits the water flow to 6 l/min, thus saving water and money. The faucet is also equipped with flexible Eco EPDM connection hoses. The hoses are WRAS certified, which confirms their high quality. A special coating lines the inside of the hoses so the water does not change its taste or smell. The set includes a plastic CLICK-CLACK plug for opening and closing the washbasin drain. The faucet comes with a 12-year warranty on the body and a 5-year warranty on the cartridge.
