

SHOWER ENCLOSURE WALK-IN LARGA BLACK 90X200 TRANSPARENT GLASS

COLLECTION [LARGA](#), [LARGA SHOWER](#)

PRODUCT CODE:

S932-138

Product description

LARGA walk-in shower enclosures are made of 6 mm thick tempered glass, additionally secured with a CleanPro protective coating that prevents scale and dirt build-up. In addition, a subtle metal frame around the glass encloses everything into an elegant whole. Shower enclosures from the LARGA collection are available in two the most fashionable color options: chrome and black.
