

SET B681 TECH LINE BASE, ZIP WALL HUNG BOWL SIMPLEON, DUROPLAST TOILET SEAT, BASE SMART FLUSH BUTTON CHROME GLOSS

[COLLECTION TECH LINE BASE](#)

PRODUCT CODE:

S701-691

Product description

TECH LINE BASE concealed WC frame with ZIP SimpleOn wall hung bowl for dry construction is a solution suitable for smaller bathrooms, without losses on the functionality of space. The solid, powder-coated frame is made of steel profiles. Its width is only 35 cm, which allows it to be used in even the tightest bathrooms. The frame is also equipped with regulation of the amount of drained water, silent filling valve and rotating feet in 4 directions every 90 degrees.
