Product description

The set includes a CREA 120 under-wash cabinet with a CREA 120 washbasin. CREA cabinet is an example of a timeless, minimalist form, obtained thanks to handleless fronts. Made of moisture-resistant chipboard, with a varnished white front and an elegant gray linen interior. The CREA furniture washbasin impresses with its lightness, delicate shapes and incredibly thin walls. At the same time, thanks to our new ceramic mass, ROCKLITE are surprisingly durable. The improved enamel provides a perfect coating, giving the surface of our ceramic a smooth and even white finish.
