

## ZEN BY CERSANIT DECK-MOUNTED PULL-OUT WASHBASIN FAUCET CHROME

COLLECTION [ZEN BY CERSANIT](#), [ZEN BY CERSANIT FITTINGS 2](#)

PRODUCT CODE:

S951-594

### Product description

The ZEN by Cersanit collection is characterized by a refined to perfection combination of harmonious shapes and high-end design, which will bring a calming aura to any interior - regardless of its style or size. An interesting stylistic addition is a distinctive feature of the entire collection - modern faucet handles finished with a knurled surface. The uniqueness of chrome products from the ZEN by Cersanit collection is also evidenced by the surface finish of the fittings, which has been protected with Cersanit's abrasion-resistant Super Shine coating. Thanks to the pull-out spout in the ZEN by Cersanit washbasin faucet, you can reach hard-to-reach places with a stream of water, while maintaining high-end aesthetics. The 35 cm long flexible hose with a nylon outer braid will make it easier to do such things as filling dishes with water or maintaining the washbasin hygiene. Combined with the water-saving Cersanit Water Save aerator, which guarantees a water flow of up to 6l/min, you gain a practical solution that goes well with small washbasins where the water flow direction is severely limited. The faucet is also equipped with 60 cm long G 3/8" Eco EPDM connecting flexible hoses. The hoses are WRAS certified, which confirms their high quality. A special coating lines the inside of the hoses so that the water does not change its taste or smell. The product comes with a 12-year warranty on the body and a 5-year warranty on the cartridge.

### Technical data

Acoustic group	II
Assembly method	standing (EasyFIX)
Body height	18,3 cm
Colour	chrome
Connection hoses	flexible connecting hoses G 3/8 inch, length 600 mm, ECO EPDM, WRAS certificate
Diameter of the head	3,5
Flow class	Z
Material of the hose	silicon, hose for spout nylon
Mechanism	pull-out spout
Perlator	2-functions Cersanit Water Save (aerator + spray)
The length of the hose	hose for spout - 35 cm
The length of the spout	13,9

Type of chroming	Cersanit Super Shine -thickness of the nickel 8-12µm and chrome 0.25-0.3 µm applied on a faucet Cersanit, guarantees high quality even after several years
Type of head	ceramic
Value for the acoustic group	from 20 to 30 dB
Value for the flow class	6,074
Warranty	12 years for body , 5 years for cartridge
EAN code	5901771053255
Product index	AATW1001597191
