Product description

The ZEN by Cersanit collection is characterized by a refined to perfection combination of harmonious shapes and high-end design, which will bring a calming aura to any interior - regardless of its style or size. The thermostatic wall-mounted bath-shower faucet includes a high-end thermostatic cartridge and SafeTouch technology with body cooling and a spout/hand shower switch. It also has a function of precise temperature setting (locked at 38 °C) which, combined with the SafeTouch system, ensures high comfort and safety of use. The uniqueness of black products from the ZEN by Cersanit collection is also evidenced by the elegant matte surface finish of the fittings. The product comes with a 12-year warranty on the body and a 3-year warranty on the thermostatic cartridge.
