

VIRGO DECK-MOUNTED BIDET FAUCET BLACK

[COLLECTION VIRGO, VIRGO FITTINGS 1](#)

PRODUCT CODE:

S951-573

Product description

Subtly geometric form, perfect workmanship and functionality adapted to the needs of the modern consumer. VIRGO fittings will be a real hit with those looking for designer solutions at a reasonable price. The single-handle bidet faucet from the VIRGO collection is fitted with the Cersanit Water Save aerator and a 35 mm ceramic cartridge which enables smooth control of the water stream. The Cersanit Water Save aerator is an ecological solution, as it effectively aerates the water stream, thus increasing its volume and limiting the water flow to 6 l/min. This allows for a strong, powerful stream without having to turn on the faucet to the maximum. The faucet is also equipped with 60 cm long flexible Eco EPDM flexible connecting hoses. The hoses are WRAS certified, which confirms their high quality. A special coating lines the inside of the hoses so that the water does not change its taste or smell. The fittings come with the EasyFIX quick installation system that allows for easy installation without tools. The product comes with a 12-year warranty on the body and a 5-year warranty on the cartridge.

Technical data

Acoustic group	II
Assembly method	standing (EasyFIX)
Body height	13,8 cm
Colour	black
Connection hoses	flexible connecting hoses G 3/8 inch, length 600 mm, ECO EPDM, WRAS certificate
Diameter of the head	3,5
Flow class	Z
Perlator	Aerator Cersanit Water Save
The length of the spout	10,8
Type of chroming	damage-resistant body surface: special colour application technology
Type of head	ceramic
Value for the acoustic group	from 20 to 30 dB
Value for the flow class	6,93
Warranty	12 years for body , 5 years for cartridge
EAN code	5901771053040
