

VIRGO WALL MOUNTED THERMOSTATIC BATH-SHOWER FAUCET BLACK

COLLECTION [VIRGO](#), [VIRGO FITTINGS 1](#)

PRODUCT CODE:

S951-562

Product description

Subtly geometric form, perfect workmanship and functionality adapted to the needs of the modern consumer. VIRGO fittings will be a real hit with those looking for designer solutions at a reasonable price. The wall-mounted single-handle thermostatic bath-shower faucet from the VIRGO collection is equipped with an environmentally friendly Cersanit Air water aerator (directional, silicone) and a thermostatic cartridge, which allows smooth control of the water flow. The faucet also has a function of precise temperature setting (locked at 38 °C) which, combined with the SafeTouch system, ensures high comfort and safety of use. The product comes with a 12-year warranty on the body and a 3-year warranty on the thermostatic cartridge.

Technical data

Acoustic group	II
Assembly method	wall
Colour	black
Diameter of the head	3,1
Flow class	A/S
Height of cartridge	9,57
Mechanism	thermostat SafeTouch
Perlator	Moveable Aerator Cersanit Air
