

ZIP DECK-MOUNTED BIDET FAUCET CHROME

[COLLECTION ZIP FITTINGS](#)

PRODUCT CODE:

S951-571

Product description

The modernist and elegant form of the ZIP collection of bathroom fittings has been paired with technologies that will make using the bathroom comfortable and enjoyable. The single-handle bidet faucet from the ZIP collection is fitted with the Cersanit Water Save aerator and a 35 mm ceramic cartridge which enables smooth control of the water stream. The Cersanit Water Save aerator is an ecological solution, as it effectively aerates the water stream, thus increasing its volume and limiting the water flow to 6 l/min. This allows for a strong, powerful stream without having to turn on the faucet to the maximum. The faucet is also equipped with 40 cm long flexible Eco EPDM flexible connecting hoses. The hoses are WRAS certified, which confirms their high quality. A special coating lines the inside of the hoses so that the water does not change its taste or smell. The faucet has a surface protected with Cersanit Super Shine coating, which guarantees resistance to damage and scratching. The fittings come with a plastic click-clack plug. The product comes with a 12-year warranty on the body and a 5-year warranty on the cartridge.
