

## INVERTO BY CERSANIT WALL MOUNTED SPOUT GOLD

[COLLECTION INVERTO BY CERSANIT](#), [INVERTO BY CERSANIT FITTINGS 1](#), [INVERTO BY CERSANIT FITTINGS 2](#)

PRODUCT CODE:

S951-555

### Product description

Bath spout from the INVERTO by Cersanit collection to be combined with concealed bath-shower sets and shower sets with an angled connector. The spout has a surface protected with PVD coating, which guarantees resistance to damage and scratching. The Cersanit Air water aerator, built into the spout, will help save water and reduce water bills. The product can be combined with free-standing and built-in bathtubs.
