

## MODUO DECK-MOUNTED WASHBASIN FAUCET BLACK

[COLLECTION MODUO, MODUO FITTINGS](#)

PRODUCT CODE:

S951-584

### Product description

Thanks to the universal style of the MODUO concept, even the classic design of the fittings will fit into any bathroom. The washbasin faucet from the MODUO collection has the ecological Cersanit Water Save aerator and a 35 mm ceramic cartridge which enables smooth control of the water stream. The ecological Cersanit Water Save aerator aerates the water stream thus increasing its volume and limiting the water flow to 6 l/min. The faucet is also equipped with 40 cm long flexible Eco EPDM flexible connecting hoses. The hoses are WRAS certified, which confirms their high quality. A special coating lines the inside of the hoses so that the water does not change its taste or smell. The product comes with a 12-year warranty on the body and a 5-year warranty on the cartridge.

### Technical data

Acoustic group	I
Assembly method	standing
Body height	15,2 cm
Colour	black
Connection hoses	flexible connecting hoses G 3/8 inch, length 400 mm, ECO EPDM, WRAS certificate
Diameter of the head	3,5
Flow class	Z
