

MILLE WALL MOUNTED SPOUT CHROME

COLLECTION [MILLE](#), [MILLE FITTINGS](#)

PRODUCT CODE:

S951-711

Product description

Bath spout from the MILLE collection to be combined with concealed bath-shower sets and shower sets with an angled connector. The spout has a surface protected with Cersanit Super Shine coating, which guarantees resistance to damage and scratching. The Cersanit Air water aerator, built into the spout, will help save water and reduce water bills. The product can be combined with free-standing and built-in bathtubs.
