Product description

Above all, LARGA range of fittings offers great freedom of arrangement. Designer geometric shapes and numerous color variants greatly expand the possibilities for giving the bathroom an individual touch. The concealed bath-shower faucet is fitted with a 35 mm ceramic cartridge which enables smooth control of the water stream throughout its life cycle. The concealed part of the fittings is a modern solution in the form of a box, which is easy to install and replace. The set includes a single-function, 9-cm hand shower with Cersanit EasyCLEAN silicone finish, a 150-cm-long PVC shower hose (WRAS approved), and a bath spout with Cersanit Air aerator. The product comes with a 12-year warranty on the body, a 3-year warranty on the thermostatic cartridge and a 2-year warranty on the other elements of the set. Set includes: faucet (S951-373), shower set with angled connector (S951-513), bath spout (S951-707). The set components are packaged separately.
