[COLLECTION ARTECO, ARTECO SHOWER](#)

PRODUCT CODE:

S601-133

Product description

ARTECO is a collection of profiled shower cabins made of 5 mm thick safety tempered glass. All of our cabins have been secured with a CleanPro protection coating, which prevents limescale and soil build-up. ARTECO shower enclosures have a height of 190 cm, and even tall persons will feel comfortable inside. Additional advantages of this product further include: PIVOT hinges, metal handle and magnetic seals on the door. The series of TAKO trays combines classic design and unique comfort. The TAKO series of shower tray is 16 cm and is made of the highest quality acrylic, with a double reinforcement of resin and fibreglass.
