Product description

CERSANIA - It's more than a simple wall hung bowl. The SimpleOn technology, thanks to the reduced rim, makes cleaning the inside of the bowl much easier than in the case of classic bowls with a rim. This solution helps to maintain hygiene in a simple way, because we have fewer nooks and crannies where scale and bacteria can accumulate. The WC bowl has a 3/5L flushing system. The set includes a antibacterial toilet seat with soft-close,
