

SET B468 CERSANIA WALL HUNG BOWL SIMPLEON WITH POLYPROPYLENE, SOFT-CLOSE TOILET SEAT

[COLLECTION CERSANIA](#)

PRODUCT CODE:

S701-557

Product description

CERSANIA - is something more than just a wall hung bowl bowl. The SimpleOn technology thanks to the reduced rim makes cleaning the inside of the bowl much easier than in the case of classic bowls with a rim. This solution helps to maintain hygiene in a simple way, because we have less nooks and crannies here, in which scale and bacteria can accumulate. The WC bowl has a 3/5L flushing system. The set includes a polypropylene, soft-close seat, equipped with an easy-off system.

Technical data

Board included	Yes
Colour	White
Depth	52,5 cm
Flushing	3-5l
Gross weight	18,3 kg
Height	36 cm
