

## SMART 170 FRONT CASING FOR BATHTUB WHITE FRONT

[COLLECTION SMART](#)

PRODUCT CODE:

S568-026

### Product description

The SMART 170 bathtub furniture panel features a white front that matches equipment and ceramic elements present in each modern bathroom. This model comprises a large storage compartment concealed under a bathtub plus three cabinets equipped with the PUSH system. All shelves create convenient storage space for cosmetics and everyday-use toiletries. Its durability and safety is guaranteed by its moisture-resistant casing.
